

Logging into Moodle

All Users

1. How to Log into Moodle

cnc.bc.ca → Login → Moodle

OR

<https://moodle.cnc.bc.ca/>

1. Click **Sign in via CNC Single Sign-On** in the right side menu

Sign In

Sign in via CNC Single Sign-on

[Lost password?](#)

2. You will be redirected to the CNC Online Services Login page
 - a. Enter your CNC email address → Click **next**
 - b. Click **Sign in with your CNC username and password**
 - c. Enter your password

The password is the same password you use to log into CNC computer and CNC Connect

2. How to Change your CNC Password

cnc.bc.ca → Login → CNC Connect → Forgot password?

OR

<https://tools.cnc.bc.ca/cncaccount/>

1. Enter Last Name and Student/Employee Id:
2. Delete any information in SIN: → Click **Find**
3. Click **Reset Password**
4. Select the email you want the reset code sent to → Click **Send Reset Email**

If the emails available are not correct, students contact oreg@cnc.bc.ca and staff contact helpesk@cnc.bc.ca

If you require additional support, please contact the CTL by email at ctl@cnc.bc.ca

- The email will come from CNC Help Desk

- Click **Click here to change your password**

If it has been over 4 hours since receiving the email you will need to restart this process

- Enter New Password:
- Enter New Password Again:
- Click [Enter]
